# DEDICATION

You may have noticed a plaque on a wall in the main office with the names of six teachers on it. That is there to honor the winners of the Inland Reyerson Outstanding High School Teacher Award.

They were each chosen by a specific process done each year. Each teacher gets one week to nominate a high school teacher whom they think deserves the award. The nominees must meet the instructional and non-instructional requirements made by the sponsors. The principal and vice-principal then total up the nominees and determine the top two. They, along with the teachers, vote from the top two names and the winner gets the award. If there is a tie, the principal makes the decision.

There is a banquet held and each winner from Lake County is invited. Each winner receives a free ticket for themselves and two guests. Anyone else has to purchase a ticket. Each winner also receives a check for \$300, and that amount remains the same for each year. They are also given a small gift. At our school, we also place their name on that plaque.

## 1988-89 WINNER

Mrs. Morris taught for 20 years and spent them all at Edison. She taught American English, World Literature, Grammar, Composition, and Public Speaking. She says, "What I miss most is the interaction with the students. I also miss the staff at Edison."

## 1989-90 WINNER

Mrs. Plotner has been teaching for 20 years and has spent them all at Edison. She teaches Introductory Algebra, Algebra I, Trigonometry, Analytic Geometry, and College Algebra. She says, "I enjoy the students and love teaching math." Students who don't care and uninvolved parents get her down.

## 1992-93 WINNER

Mr. Stanford has been teaching for 23 years and has spent 9 of them at Edison. He teaches American History, World History, and World Geography. When asked what his favorite subject to teach was, he replied, "World History."

## 1991-92 WINNER

Miss Girgenti has been teaching for 26 years and has spent them all at Edison. She is the band director for the elementary, junior high, and high school bands. She usually teaches the clarinet, trombone, baritone, tuba, and percussion. She says she enjoys teaching high school, "because the music is challenging."

## 1990-91 WINNER

Mr. Ayres has been teaching for 10 years and has spent them all at Edison. He teaches Introductory Algebra, Computer Math, Geometry, and Tech Prep Geometry. He says he became a teacher because, "...some good friends of mine were teachers. They had positive impacts on my life. I hoped to do the same in others' lives."

## 1993-94 WINNER

Mrs. Georgion has been teaching for 17 years and has spent 10 of them at Edison. Presently, she teaches Junior High Art and Journalism and High School Yearbook. She is also the Flag Corps director. She says, "I enjoy working with kids and teaching, especially when the students have a positive attitude and enjoy learning new things."

Dare To Be Different  
is an expression of Edison High  
School. It represents the many changes  
that have occurred here with the  
teachers as well as the students. We have  
gotten many new teachers and the veterans have  
even done a little shifting around. As we all have noticed, many  
of the students have done a lot of  
changing. Look at our hair, our  
clothes, our attitudes...none of us are  
the same because we all dare to be different!

# STUDENT LIFE

## DARE TO BE

## DIFFERENT

Monica Burgos and Heather Richardson are just a few of the students that show their school spirit in **different** ways during the homecoming week activities.

# EDISON

## ENTERTAINER

### Elvis Spotted on Student's Shirt

**Right:** The boy, identified as Shannon Menear, had no comment concerning his T-shirt.

**Below:** Jennifer Lazaro and Latrica Faught spend so much time together they have become permanently attached.

**Above:** Alien invades body of teacher, Mr. Plotner.

**Right:** Lisa Garcia possessed by the spirit of Marilyn Monroe.

# STAND UP STAND OUT

## WHAT DO YOU LIKE TO DO?

**Below:** Bryan Coots likes to go fishing in his spare time.

**Left:** When Michelle Williams is not at work she likes to hang out with her friends.

**Right:** Michael Gonzalez spends his time watching television.

**Below:** Christopher Renn likes to hang out at the library and dedicate all his time to his class work.

**Below:** Elizabeth Elliott and Amy Howell like to hang out together.

Above: Jason Miller has always tried to be his own person with his own style, without trying to make everyone around him be the way he is. His friends are a big part of his life, but he has never ended a friendship with someone because they didn't go along with him on something. He wonders why anyone would do something they didn't want to. His own personal motto is, "Do what you gotta do, say what you gotta say, you only get one chance."

Every person has their own personality. A personality is building from the day you are born. Everyone is different in their own unique way. Some choose to follow others, but most like to be individual.

## What You Thought

Topics	What's In	What's Out

# DARE TO DITCH

**Left:** Mr. Jones is against ditching altogether. "The senior ditch day influences the underclassmen. Too many bad things can happen." He would hate to see any student get into trouble or have a problem.

**Right:** Mr. Zurcher believes there are too many risks involved with ditching. He thinks it is a very irresponsible action.

## THOSE WHO OPPOSE

**Left:** Mr. Georgion says "student safety is our responsibility during school hours, therefore we worry about them. When it gets down to the younger students following the lead it is cause for quick action."

**Right:** Mr. LoCascio said senior ditch day is not a permitted activity. It presents a major problem. The main thing for seniors is jeopardizing graduation. The underclassmen tag along and that presents another problem altogether.

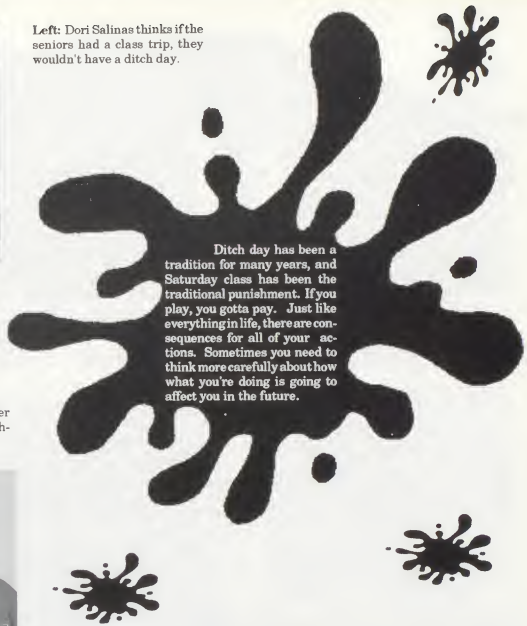

**Left:** Dori Salinas thinks if the seniors had a class trip, they wouldn't have a ditch day.

**Below:** James Blankenbeker says he does not plan on ditching.

Ditch day has been a tradition for many years, and Saturday class has been the traditional punishment. If you play, you gotta pay. Just like everything in life, there are consequences for all of your actions. Sometimes you need to think more carefully about how what you're doing is going to affect you in the future.

## TOP TEN EXCUSES GIVEN THE DAY AFTER

10. I didn't have anything to do in my classes.
9. Everyone at school had the flu, I was just protecting myself.
8. I had to comfort my best friend, his/her fish suddenly died.
7. All the clothes I own were wet and the dryer was broken.
6. I lost my contacts/glasses and I wouldn't have been able to see anything anyway.
5. I couldn't get a ride.
4. I've learned my lesson, I swear.
3. It was peer pressure.
2. My psychic told me not to go.
1. I had no idea it was ditch day, I'm telling you the truth.

# BEST FRIENDS

## A DIFFERENT VIEW

Above: Best friends, Lacey Finchum and Cheryl Sanchez, hang out in the hallway.

Below: Left to Right: Amy Howell, Shannon Sausman, Amanda Leshner, Elizabeth Elliott, and Latrica Faught said, "we always have a blast together, and we love the dances at Amy's house."

Above: Left to Right: Jaime Huerta, Nick Reyes, Brian Menear, Daniel Bryant and Craig Menear say they're all friends because "we do our own thing and don't listen to anyone else."

Right: Lola Richardson, Dori Salinas, Michelle Williams, and Victoria Moss say "we're friends because we bring the craziness out in each other, and our friendship is wild."

Best friends are  
the one thing we all  
have in common.  
They can make you smile  
and laugh. They're what you like  
in a person because  
they look beyond your  
flaws.

Below: Claudia Martinez and Lisa Garcia say "we're friends because we are so much alike."

Below: Stephanie Pochron and Sarah Mackanos say "we get along well, and have been best friends for twelve years."

Above: Left to Right: Pero Nikoloski, Jason Miller and Glen Hardin say "the things we most enjoy are the hog roast at Pero's house, and that there is never a boring moment."

#### TOP FIVE REASONS YOU LIKE YOUR FRIENDS

5. Because you need somewhere to throw your birthday party.
4. To have someone to leave class with.
3. To have someone to find out the dirt on the person you like.
2. To have a reason to go to school everyday.
1. To have someone to taste the cafeteria food first.

# SPRING FEVER

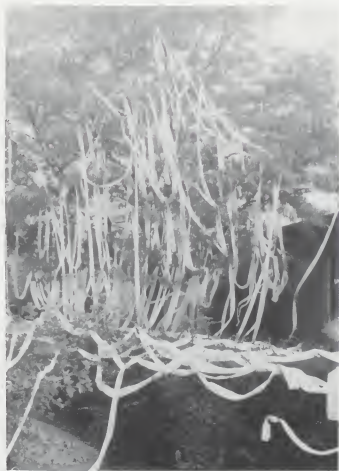

Above: Left to Right: Michelle Williams, Victoria Moss, Lola Richardson, and Dori Salinas spent Spring Break '95 in Daytona Beach, Florida. They enjoyed an evening at Point Break Dance Club that gave free souvenirs.

Below: Left to Right: Jason Miller, Richard Slezia, Glen Hardin, and Santos Hedgepath met up with four Edison senior girls at Point Break Dance Club. Everyone in attendance received free T-shirts and mugs.

Spring Break '95 was the week for all students to take a break from school. This year's most popular vacation spot was Daytona Beach.

## CHECK OUT THE NEXT ISSUE

**In an election that many** political experts said reflected the anger and disillusionment of Americans with the Washington establishment, voters refused to return many incumbent Democrats to office. Not a single Republican member of the United States Senate or House was defeated. The Republican Party gained control of both houses of Congress for the first time in 40 years. Even the speaker of the house, Tom Foley, was defeated—something that had not happened to the holder of that office in more than 130 years.

**Last-minute negotiations** conducted by former President Jimmy Carter, Sen. Sam Nunn and retired Gen. Colin Powell enabled the U.S. to avoid a bloody invasion of Haiti and to restore elected President-in-exile Jean-Bertrand Aristide to office. Eventually, 20,000 troops entered the country to maintain order and to aid in the transition of power from the island's military rulers to Aristide. The settlement, which allowed the military leaders to leave the country, and Carter's role received mixed reactions back in the U.S.

**The discovery of the** bodies of O.J. Simpson's ex-wife, Nicole, and her friend, Ronald Goldman, and the football legend's arrest touched off a barrage of media coverage that captivated the attention of much of the world. The murder trial, which began in January, was marked by complicated legal maneuvers and expected to last for months.

**Pleas from fans to "play ball"** fell on deaf ears as major league baseball players and owners failed to resolve their differences over instituting a salary cap. Quests to set new batting records came up short when the season ended in August and the World Series was cancelled. Talks between players and owners continued sporadically throughout the winter, but spring training began in 1995 with replacement players and no end to the strike in sight.

**Expected to be an** early victim of the television rating wars, *ER* surprised even its own network by capturing more than 30 percent of the Thursday night viewers with its fast-paced, emergency room drama.

**Super Bowl XXIX** continued the string of wins by the NFC, as the San Francisco 49ers defeated the San Diego Chargers, 49-26. The win was San Francisco's fifth Super Bowl victory, the most by any NFL team.

# Dare to be a *Class Act*

Each year the senior class gets to decide on the design of their senior shirts. When choosing the design, the attitude of the class must be considered. The Class of 1995 has a high opinion of themselves as anyone can see by the back of the shirts. According to the shirts, the seniors believe the underclassmen should worship them.

This year's choice, "I'm a Senior Worship Me!", fits the majority of the attitudes in this class and the attitude of the class as a whole. So, whether they were worshipped or not, they will leave this school feeling confident and superior (even if it was only for one year).

# One more reason not to drink and drive

I went to a party mom

I remember what you  
said,

You told me not to drink  
mom,

So I drank soda instead.

I felt really proud inside  
mom,

The way you said I  
would.

I didn't drink and drive,  
mom,

Even though the others  
said I should.

I know I did the right  
thing, mom,  
I know you're always  
right.

Now the party is finally  
ending, Mom,

As everyone drives out of  
sight.

As I got into my car,  
mom,

I knew I'd get home in  
one piece,

Because of the way you  
raised me, mom,

So responsible and sweet.

I started to drive away  
mom,

But as I pulled onto the  
road,

The other car didn't see  
me, mom,

## Author Unknown

As I lie hear dying, mom,

I wish you'd get here  
soon.

How come this happened  
to me, mom?

My life burst like a  
balloon.

There is blood all around  
me, mom,

Most of it is mine,

I hear the paramedic say,  
mom,

I'll be dead in a short  
time.

I just wanted to tell you,  
mom,

I swear I didn't drink.

It was the others, mom,

The others didn't think.

He didn't know where he  
was going, mom,

He was probably at the  
same party as I.

The only difference is,  
mom,

He drank, and I will die.

Why do people drink,  
mom?

It can ruin your whole  
life.

I'm feeling sharp pains  
now, mom,

Pains just like a knife.

The guy who hit me is  
walking, mom,

I don't think it's fair,

I'm lying here dying,  
mom,

While all he can do is  
stare.

Tell my brother not to  
cry, mom,

Tell Daddy to be brave.

And when I get to  
heaven, mom,

Write "Daddy's Girl" on  
my grave.

Someone should have  
told him, mom,

Not to drink and drive.

If only they'd have taken  
the time, mom,

I would still be alive.

My breath is getting  
shorter, mom,

I'm becoming very scared.

Please don't cry for me,  
mom,

Because when I needed  
you...

you were always there.

I have one last question,  
mom,

Before I say goodbye,

I didn't mom,

So why am I to die?

This is the end, mom,

I wish I could look you  
in the eye,

To say these words to  
you mom,

I love you, and goodbye..

**Below:** Miss Girgenti is escorted by the eagle.

Being the leader of 79 people making loud noises with many instruments can be difficult and a headache; but it could also be breathtaking. Miss Girgenti takes hundreds of notes, puts them with 14 different instrument groups, and plays them all in perfect sync. Songs like *The Circle of Life* and *Can You Feel The Love Tonight*, from *The Lion King*, are what makes this year's band very unique.

Under the shoulder and guidance of a new leader, the 1994-1995 Edison High School Choir has taken a new direction. Is it a good direction? Most people seem to think so. Getting her degree last year from Valparaiso University, Miss Caryn Cliffel has taken charge of the Lake Station Edison Choir. She has supervised her first play here at Edison in the musical *Hello Dolly*. She has chosen many songs for the choir to sing like difficult songs from the very popular musical *Joseph and the Amazing Technicolor Dreamcoat* and from the movie *The Lion King*.

The 1994 - 1995 Eagle Feather's Staff is under a new supervisor, Mrs. Pappas, who is this year's journalism teacher. She has her newspaper staff working very hard this year. Every Wednesday of the month the staff has a deadline. Once they get one issue done, the following day they start on the next paper. When one month of the paper has been completed there is a sigh of relief - although there is always another issue to do.

The 1994 -1995 Edisonian Staff has worked hard on this year's yearbook. They put dedication in this yearbook every day of the school year plus extra hours. Each person on the staff has assignments. The staff must each sell five business ads, sell five booster ads, and complete assigned pages by deadline. Although people think yearbook is an easy class, it really is not. When the pages are completed and the yearbook is all done, they are proud to say they were a part of it.

Honor Society is a club for students that have a 3.5 grade point average or better and have been recommended by their teachers. The National Honor Society induction takes place in the spring. The inductees parents and guests are invited to the induction. This year Dr. Blankenbeker made an address for this ceremony. This year the Honor Society trip was to the Bull's game. Annually they hold a chicken dinner and the proceeds go to Dollars for Scholars scholarship fund.

Student Council has participated in many memorable activities for the 1994 - 1995 school year. They ran a can food drive with the elementary schools, the junior high school, and the high school. This helped out many families in our community this Christmas. Also, profit from the pop machine is used to support all of Student Council's activities. They were also in charge of all Homecoming events, from the nominees for king and queen to the parade before the game.

There are many different subjects to choose from, such as: public speaking, job interviewing, and Typing II. FBLA goes to conference, colleges, workshops, and also to a state competition. At their state competition there are forty-five events to compete in. This year Fidel Lopez was elected to the office of State Recorder. Also, Mr. Plotner, FBLA Sponsor, won several awards at the state convention.

The Academic Spell Bowl is a team of spellers who compete individually, but each score is combined to make the team composite.

Unlike the Spell Bowl, the JETS competition is a team effort. This year there were three JETS teams. Each team had three hours to work on the test together.

The Academic Super Bowl consists of six teams: Fine Arts, Social Studies, Math, English, Science, and Interdisciplinary (a combination of the five). This year, the Science and English teams did very well. At the regional meet, Science placed third. At the area meet, English placed first and Science placed third.

At some time, many students feel they need to talk to other students instead of adults. Others may just need help with their homework. This is why Mrs. Gertz sponsors the peer helpers. She arranges for a peer helper to help the student with what they're having difficulty with.

Mrs. Gertz trains the peer helpers during a workshop at the beginning of the year. Each helper has an hour set aside to work with students. Other peer helpers spend time helping during their lunch period.

This year's Spanish Club consisted of 72 students. The Spanish Club had a one time money making project. Top sellers, other students won a monetary prize and based on how much they sold. This year they did well and about \$100.00 was awarded in prizes. They also had two bingo games with \$10.00 gift certificates as prizes. Their field trip was at the Field Museum where they viewed the exhibits on the Indians of Central & South America. After that they went to *Su Casa* restaurant for a Mexican lunch. Their field trip took place on Wednesday, May 10, 1995.

Some people ask why there is a French Club. The French Club is for the students who are intrested in the language and the culture. But the dues... why have them? The reason for dues is so the students can take field trips to the zoo or to the museum. The students can also learn more about how French people live. This year the French Club went to a French resturant in Crown Point called *Bon Appetite* in May. The French Club has not done any fundraisers this year. This year's French Club has a total of 64 members.

# DECA

This has been a banner year for the Deca program. They participated in the District, State, and National competitions. They finished second this year at State. Catherine Childers was a national finalist in St. Louis.

Other chapter activities included attending Central Region Leadership Conference in Chicago. They also sold senior sweatshirts, and Tee-shirts, Valentine's Day flowers and

balloons. In April they went to a Black Hawks' game. They helped support the Student Council in the Christmas food drive. They also supported a needy family during Christmas. This year's seniors have set an example for

the underclassmen who will follow in their footsteps. The new DECA members will take over the club's offices and work in the DECA store.

This year's Homecoming activities were a great success. The week started with dressing up as Disney characters to hippies. And the many more activities to follow such as the Almost Anything Goes Games, room decorations, window painting, parade, bonfire, and last but not least, the big homecoming game, the Varsity football team played North Newton and lost 17-20. Overall, that week Seniors took first place, Sophomores came in second place, the Juniors to follow in third, and Freshmen to come in fourth place.

The theme for this year's dance was "Wish Upon a Star." The Student Council, the sponsors of the dance, had a wonderful turn out. There were 89 couples, 8 singles, and 8 chaperones: Miss Cliffel, Miss Tsahas, Mr. Jones, Mr. and Mrs. Ripperdan, Mr. and Mrs. Plotner, and Mr. and Mrs. Zurcher.

Every year the Student Council hires a D.J. for the dance, this year's D.J. was "Music Men."

Poem  
To The Seniors

Another year goes passing by  
Another Prom is here  
To some this brings a joyous smile  
To others, brings a tear.  
For four years you have tread a path  
From dawn to setting sun.  
But now the path gets steeper  
And the climb is just begun.  
We're very glad to know you.  
We'll miss you when you've gone.  
To the Class of '95  
We dedicate our prom.

# Red Ribbon Week

## Dare to say no

Once again Edison celebrated Red Ribbon Week, a yearly project that happens nationwide. Every year all schools dedicate one week to making an effort to say no to drugs.

This year's activities included: the Grim Reaper, which went class to class and chose people to die of different situations involving drug and alcohol, and for the rest of the day they could not talk; the elementary guest speakers, some students from Edison High School went to the elementary schools to talk about how to say no to drugs. The students from Edison colored, made puzzles, colored grocery bags, wrote letters to their pen pals, and made their own television shows.

# AUDITORIUM DEDICATION

## A different name

Sunday, May 20, 1995 the Edison Jr. Sr. High Auditorium was renamed the Dr. Kosmas Kayes Auditorium. Dr. Kayes served as our superintendent for 26 years and during his tenure the new addition to the high school was added, which included the auditorium.

Superintendent Costa addressed all in attendance. He spoke about the contributions Dr. Kayes made to the Lake Station Community Schools.

The high school band and combined junior/senior high school choirs performed during the course of the festivities. Also, each of the current board members took part in the afternoon program.

Dr. Kayes' family, retired teachers, and administrators from the Lake Station Community Schools were introduced. Also in attendance were several administrators from surrounding school districts.

A reception was held in the cafeteria after the ceremony.

**A different kind of romance**

Below: Patricia Spencer and David Gruett dance slowly to a romantic song.

This year's Sweetheart Dance was considered a big success. Over 60 couples attended and danced to slow and fast songs. During a slow song, mist was sprayed over the floor to make it more romantic. In addition to new songs, old songs like *Y.M.C.A* were played. When asked, many couples said it was a very fun and enjoyable dance.

## DARE TO BE

## D I F F E R E N T

The varsity football players **dared** to speak about their hopes for the football team during the annual homecoming bonfire.

# Varsity Football

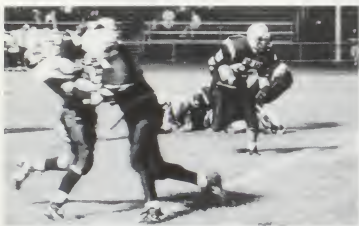

According to Coach Hepp, the Eagles proved to be competitive with all the teams they played. Hepp said, " Our record didn't reflect how we played. I think the attitude of the players improved throughout the season, I believe they went into every game with the attitude they could win the game." The Eagles showed steady improvement as the season progressed, however they just fell a little short every game. "Senior players really demonstrated a lot of leadership," said Hepp, "they have set the foundation to a very good program."

# Varsity Volleyball

The Varsity Girls had a 3-19 season. The coach that led them was Charlene Plotner. This year there were five seniors, five juniors, and two sophomores. Jill Mitchell was awarded with the most valuable player award. Dori Salinas was awarded as most improved player for the year.

The players did a considerable amount for their own team by having a serve-a-thon, where the players had people pledge money for how many serves they got over the net. They also had a fundraiser to earn a profit for the volleyball team's new jackets and volleyball equipment.

# Cross Country

This year's Cross Country team had a winning season with the help from a few extra runners. They also had a couple of runners, Michael Vega and Eric Woynaroski, advance to state for the Eagles. Coach Close was very proud to have such a successful season because the runners worked very hard in practice and in the meets.

# Boys' Tennis

The varsity boys' tennis team started off slowly with inexperience and lack of summer play. The Eagles showed major improvement during the second half of the season with an eight match win streak.

The Lake Station Tennis Team was the Lake Station Invitational Champs, Sectional Champs, and came in second in conference. Number one doubles Daniel Bryant and Stephen Blankenkaker were Conference Champs, and Anthony Coffman was the M.V. P. The Eagles finished out the season with a record of 14-3.

# Varsity Boys' Basketball

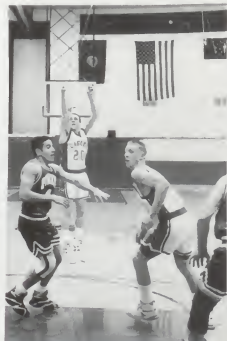

The Lake Station Eagles had a very difficult time with conference this season with a record of 0 and 6. The overall record was 6 and 16. The biggest win of the season was the sectional win over River Forest. "We had a chance to play Merrillville in the semi-finals and we played well," said Coach Glover.

James Blankenkaker, Michael Branson, and Steven Hernandez were the three seniors. There were also 6 lettermen returning to the team and many improvements as the season went on.

With five veteran seniors on the team, the 1994-1995 Girls' Varsity Basketball team had a lot of experience behind them. They also had

two juniors, three sophomores and one freshman; they will all be needed next year in the departure of this year's seniors. Even with the experience of the seniors on their side the Girls' Varsity Basketball team had a record of four wins and fourteen losses. Their wins came from Griffith, Hebron, Wirt, and Hammond Gavit.

The Eagles ended their season with a 14-2 record. They won the Northwest Hoosier Conference title, the sectional title, placed sixth at regionals, eleventh at semi-state, and nineteenth at state.

There were 11 wrestlers that advanced from sectionals to regionals, 3 advanced from regionals to semi-state, and 2 went to state. Daniel Chavez finished third at state, while Steven Szakacs finished eighth.

"The Eagles' success could be attributed to team play. They stuck together and played as a team throughout the year. Despite disappointments in conference and sectional play, it was an outstanding season for the Eagles," quoted Coach Salomon.

The Eagles were led by Seniors Derek Anderson, Michael Branson, and Steven Hernandez to a record of 15-13, the first winning season for the Eagles in the 1990s. They finished third in conference, but lost 5-3 in 10 innings to River Forest in sectionals.

The Lady Eagles' track team had a record of three wins and six losses. They placed 5th in the N.W.H.C., 6th at sectionals, and advanced four to regionals: Tanay White, Holly McMullen, Andrea Jackson, and Melissa McGinley.

There were several new records set in 1995. Jennifer Julian set new records in the 3200 meter run and the 1600 meter run. Tanay White, Andrea Jackson, Melissa McGinley, and Holly McMullen set a record in the 400 meter relay. Freshman standout Tanay White broke records in the 200 meter dash and the 400 meter dash. Tanay was ranked 8th in the state in 1995.

The boys' track team finished their season with a record of 4-5. They finished third at the Lowell Relays and fourth at the Kouts Invitational.

# Boys' Track

Coach LoCascio felt that there was improvement in the runners' times, long jump, high jump, and shot put over last year's team. He also felt the biggest victory the team had was against River Forest.

"Eric Woynaroski showed leadership for the team, and Michael Vega and Eric did an excellent job in the distance events," stated Coach LoCascio.

# Girls' Tennis

When you think of championship seasons here at Edison the first thing that might come to your mind is this year's wrestling team, not this year's Girls' Tennis team. Well, you should think of the 1995 Girls' Tennis team because they were this year's Northwest Hoosier Conference Champions. Freshman Charity Heims won her No. 1 singles division, Senior Victoria Moss won the third singles title, and Jennifer Martyka and Candie Childers won the No. 2 doubles title.

**Below:** The Golf team takes a laugh instead of a bow.

According to Coach Loscaro his most promising players for next year are: Bradley Westerhout and Andrew Costa. But even with those two players he only has three players for next year's team, the third being Edward Martyka. What he likes most about his job is working with the kids and bragging about how much money he makes. Coach Loscaro says that he is considering starting an all girls team next year, but he needs more than three people to start a team.

Christopher Garner was a fellow student whose life tragically ended. Chris was a freshman during the 1994-95 school year.

On Sunday, May 28th his life was cut short by a boating accident at Indiana Beach in Monticello, Indiana.

Chris was the son of Gail and Arthur Garner and the brother of Shelley, Arthur Jr., Kimberly and Billy.

He enjoyed playing basketball and baseball and also belonged to a Bible Club at Hammond Baptist Church.
